

Rosecrance Frankfort

Expanded services

**Leaders in recovery.
Champions of hope.**

Rosecrance is excited to announce that we're expanding services at our Frankfort outpatient clinic. In addition to the programs we've offered in the past, we have added more mental health and substance use treatment services and support for teens, young adults, adults, and their families.

Since 1916 we've been caring for our neighbors and our communities. Today, our unmatched legacy as a proven behavioral health care leader is a source of hope and strength to those we serve. As nationally recognized experts, we've successfully guided more individuals to lasting recovery. Our team has developed an innovative, multidisciplinary, outcomes-informed approach. Our comprehensive, compassionate, individualized treatment provides a roadmap for the best opportunity for lasting recovery. No program offers our depth of experience.

Services include:

- Individual mental health counseling for adolescents and adults
- Adolescent Intensive Outpatient Program (IOP)
- Virtual Adolescent IOP
- Adult IOP – Mixed Gender
- Virtual Women's only IOP
- Brief Intervention Counseling
- Family education and support

Address:

20635 Abbey Woods Court N.
Suite 310
Frankfort, IL 60423

Rosecrance is a national leader in mental health and addiction treatment. The non-profit organization provides residential and outpatient services and recovery living settings in Illinois, Wisconsin, and Iowa. Rosecrance served over 50,000 individuals at 60 locations last year furthering its mission to provide help, hope, and lasting recovery to children, youth, adults, and families.

Jorge Fernald, M.D.

Psychiatrist

Dr. Jorge Fernald is a psychiatrist for Rosecrance, providing oversight of client care services at Frankfort. He earned his medical degree from Rush Medical College and completed his psychology residency at Loyola University and a child and adolescent psychiatry fellowship at Northwestern University. Dr. Fernald has more than 30 years of experience working in behavioral health and primary care settings, in private practice, and for hospitals and health systems. He is board certified in general psychiatry and adolescent psychiatry, and he also provides care for Rosecrance adolescent and young adult clients through residential programs.

Elizabeth Ellison, M.Ed., LCPC, CADC

Clinical Director of Rosecrance Chicagoland

Elizabeth Ellison facilitates, coordinates, and supervises all clinical components of Rosecrance Chicagoland outpatient programs and recovery home. She also evaluates clinical competencies and creates training plans for new and existing clinical staff. Elizabeth has over a decade of experience with Rosecrance, in which she has progressed from an addiction counselor to clinical coordinator, then advancing to Director of Rosecrance Lakeview prior to her current role. She has a bachelor's degree in psychology from Illinois State University and a master's degree in mental health counseling from Florida Atlantic University.

Matthew Quinn, M.A., LCPC, CADC

Director of Chicagoland

Matthew Quinn leads all clinical components of Rosecrance, Inc.'s outpatient clinics and recovery homes in the Chicago area as Rosecrance's Director of Chicagoland. Previously, he served as a Community Relations Coordinator in Cook, DeKalb, DuPage, Kane, and Kendall counties. He was a member of the Community Alliance for Prevention in Naperville, the Juvenile Justice Council in Kane County, and a consultant for the Connect For Life program through the Naperville Police Department. Quinn joined Rosecrance as an outreach counselor in 2015. He completed his bachelor's degree in psychology at the University of Notre Dame and his master's degree in clinical psychology at the Illinois School of Professional Psychology. Quinn is a Licensed Clinical Professional Counselor and Certified Alcohol and Drug Counselor in Illinois.

Mary Egan, M.A., CADC

Director of Outreach

Mary Egan manages outreach, community relations and outreach to schools, and SAP services. She speaks to professionals and parents on the topics of drug trends, parental influence, and adolescent addiction. With over 35 years of experience working in the substance field, Mary is committed to helping teens, adults, and families access resources for a healthy life. She holds a master's degree from the University of Illinois at Springfield, a bachelor's degree in alcohol education, and a bachelor of arts degree in psychology from Quincy University. She is also a Certified Alcohol and Drug Counselor.

Laura Basso-Ramos, M.A., CADC

Addiction Counselor

Laura Basso-Ramos works with adults and adolescents at Frankfort. She has extensive experience as a counselor for residential and outpatient programs and conducting brief screenings for substance use/mental health. She utilizes various treatment modalities, including cognitive behavioral therapy (CBT), dialectical behavioral therapy (DBT), transtheoretical model (TTM), and motivational interviewing (MI). Laura has a master's degree in psychology from National Louis University and is a Certified Alcohol and other Drug Counselor (CADC).

Cindy Fisher LCPC, CADC

Therapist

Cindy Fisher is a Licensed Clinical Professional Counselor and Certified Alcohol and other Drug Counselor with over a decade of experience helping adults and adolescents. She is experienced in providing individual and group therapy through private practice. Cindy takes pleasure in working with individuals experiencing issues concerning anxiety, depression, relationships, life transitions, grief, stress management, anger management, and substance use. Her approach is rooted in the belief that each person comes to her with a unique set of beliefs and life experience. She leads individual and group sessions, as well as intensive outpatient (IOP) therapy and other group therapy with special issue focus.
